

# The Treasure Hunt for Tech Innovation

**Dr David Dunn**

**Trustee - Citizens Advice Scotland**

# What do you need for a treasure hunt?

- **A Desire for Treasure**
- **A Map**
- **A Shovel**

# A Desire for Treasure

- **Less income**
- **More demand for services**
- **New service entry points**
- **New services**
- **Loss of staff / volunteers.**

# A Map

- An idea of what success looks like
- Some level of buy-in
- Access to advice
- A plan.

# A Shovel

- Resources (funding / time)
- A person(s) to drive it
- Suppliers / training
- Belief / confidence.

# 5 Tech Innovation Takeaway Points

1. Think of end users
2. Tech should add value
3. Plan (but be flexible)
4. Work in partnership
5. Funding models will change
