# Who are we?

And many more

# How have we been doing

- Children in custody: secure training centres and secure schools
- Managing cross-border travel during the COVID-19 pandemic
- Managing reductions in Official Development Assistance spending
- Investigation into the management of PPE contracts
- Investigation into the government's contracts with Radox Laboratories Ltd
- Investigation into the British Steel pension scheme
- Investigation into the Ajax programme

Deportation

Detention

Dispossession

Destabilisation

Death and  
destruction
